## **Consensus Meeting**

Normary Barrett

Rogue Valley and Ashland Leagues will hold a joint meeting on January 20. Check this Voters Voice for time, place and further information. This will be an in-house consensus meeting on the County government study that has been taking place. We will listen to a discussion from the group that did the research. We need your input and vote. Our consensus will then be presented at our annual meeting for acceptance by the membership. Please read your everymember material before you come. Let me know if you want to carpool with another member because the meeting will be held in Talent.

## **Are You Interested????**

Our League has been asked to participate in a local government collaboration study group. For the past 18 months several members of the Chamber of Commerce of Medford/Jackson County have been working together as a committee to determine how local governments in Jackson County could function more cost effectively. One of their objectives is to help facilitate collaboration opportunities between local government entities. This is an excellent opportunity for a League member who is interested in local government to participate and give valuable input. Contact Normary for additional information.

## **Great Decisions**

The first meeting of the Great Decisions discussion meeting will be held Monday, January 18, at 1:30 a.m. in the Cascade Room of the Rogue Valley Manor. Exchange students from Southern Oregon State University will discuss their countries and answer questions.

## **The Best Yet Grapefruit Sale!!!**

Carol Ingelson, Chairperson

Accolades to the 25+ members and husbands/helpers who turned out in force to lift and stack boxes - as well as squeeze each and every grapefruit - total of 1005 boxes! The LVWRV sold 930 of those boxes; 54.5 by P.E.O.; 19 extra sent for spoilage, of which we gave away 10.5 (to Reter's, Preston at the Manor, and 1st Presbyterian Church).

Once again, Preston Mitchell sold and distributed over 120 boxes to Manor and cottage residents. The firm of Foster and Purdy purchased a record 158 boxes this year. But, a successful fund raiser cannot be accomplished without the help of every single member: sellers, buyers, sorters, loaders, distributors, etc.

Warehouse workers were: Gini Bailey, Normary Barrett (and Kobe), Bob and Kathryn Bulger, Cec Camden, Mary Carlon, Dave and Agnes Chirgwin, Joan Davenport, Betty Gillette, Marianne Key, Fumi Kobayashi, Jean Maack, Evelyn and John Osterhout, Shiena and Culley Polehn, Ginny Post, Joan Rogers, Fran and Don Skufca, Marcia and Don Smith, Jody Sorensen.

Special thanks go also to Shiena Polehn who recorded sales by seller, Agnes and Dave Chirgwin for acting as warehouse liaison and making extra deliveries, and Mary Carlon (with helpers Marianne Key, Lilian Macon, Ramona Osburn, Agnes Chirgwin) for much time spent on the telephone to line up workers and notify sellers.
