

League of Women Voters Rogue Valley Observers Report, Central Point, April 2018

Full Council minutes and Agenda can be found on the Central Point City Council web site:
www.centralpointoregon.gov/citycouncil

April 12, 2018

During this meeting, a resolution approving the conceptual land use and transportation plan for CP - 5/6, was passed. Three council members were present as well as the mayor, providing a quorum. The original proposal was revised over the past few months with input from land owners in CP-6A. This area (CP-6A) is bordered on the east by Hwy 99, from Scenic Rd in the north to Beall Ln. in the south. Western boundary is Grant and Taylor Rds. This is part of the area designated by the state as an Urban Reserve Area (URA) for the creation of urban growth boundaries (UGB). At this point, the city of Central Point is at the conceptual stage of how this farm land will be transitioned to city incorporation. Each stage of the plan (comprehensive, zoning and site use) will be open to public comment at each juncture. Land owners in this area (CP6A), will come under Central Point city ordinances, taxation and services when at some time in the next 50 years, they chose to sell, develop, or desire to become incorporated.

April 26, 2018

All Members of the Council and the Mayor were present.
Annual budget was presented and Central Point seems to have a robust economic status.
A supplemental budget expenditure was passed.

Discussion concerning purchase of a Public Works Corporation Facility continued.

Saturday Market will be on every Saturday this year, from May through September.

The web site for Central Point has been reworked and now has connections to relevant websites that give information on local events or businesses that offer recreational opportunities in the Rogue Valley.

Chief Kris Allison reported that Central Point Police Department has received accreditation.

The Council agreed that local CP staff elections should coincide with Federal elections on November 6th this year.
